

Amen! Bingo

Follow along with the sermon and circle words as you hear them said by the pastor. It only counts if it is during the preaching, not during announcements, worship, or prayer. When you complete a row, column, or diagonal of five call out Amen!

Kids can collect a small prize after church from Teacher Nadine for each line completed, max of five prizes. If they get a black out, which is all the squares circled, they can get a bigger prize.
